Pursuant to the Georgia Open Records Law (O.C.G.A. § 50-18-70 et seq.) (the "Law"), you are hereby requested to make available copies of:

1. authorization from the Cobb BOC to install Blue Toad within Cobb County, presumably a resolution passed by them

Should this authorization not include the locations of these receivers..

2. locations of Blue Toad installations within Cobb County.

3. policies covering access to data collected by the system

I also ask that you release all separate portions of otherwise exempt material. Please waive any costs associated with this request, or first inform me about such costs as required by Georgia law.

As you know, the Law requires a response by you within three business days of your receipt of this letter and provides sanctions for non-compliance.
